

What's available at the clinic?

There are many family planning centers in the Philadelphia five-county area that have confidential services for women, men, and teens for free or at low cost. Services include:

★ Emergency Contraceptive Pills (ECP) ★ Birth control methods and counseling ★ Pregnancy testing ★ Testing and treatment for Sexually Transmitted Infections (STIs) ★ HIV testing ★ and health coverage for family planning services through SelectPlan for Women (eligible women 18-44 years old can apply)

If you have questions about the above services, call **CHOICE 215.985.3300** or text **askchoice** to 66746

Key: ♀♂ = Sees male/female; † = Sees male partners of patients for STI treatment only; * = Speaks Spanish; ♪ = Free for teens
